# EVENT FEATURES

Our events bring together top experts from biotech, pharma, and academia who share cutting-edge research, case studies, and real-world solutions. Each talk is carefully curated to provide actionable insights and spark new ideas. Delegates gain direct access to thought leaders shaping the future of healthcare.

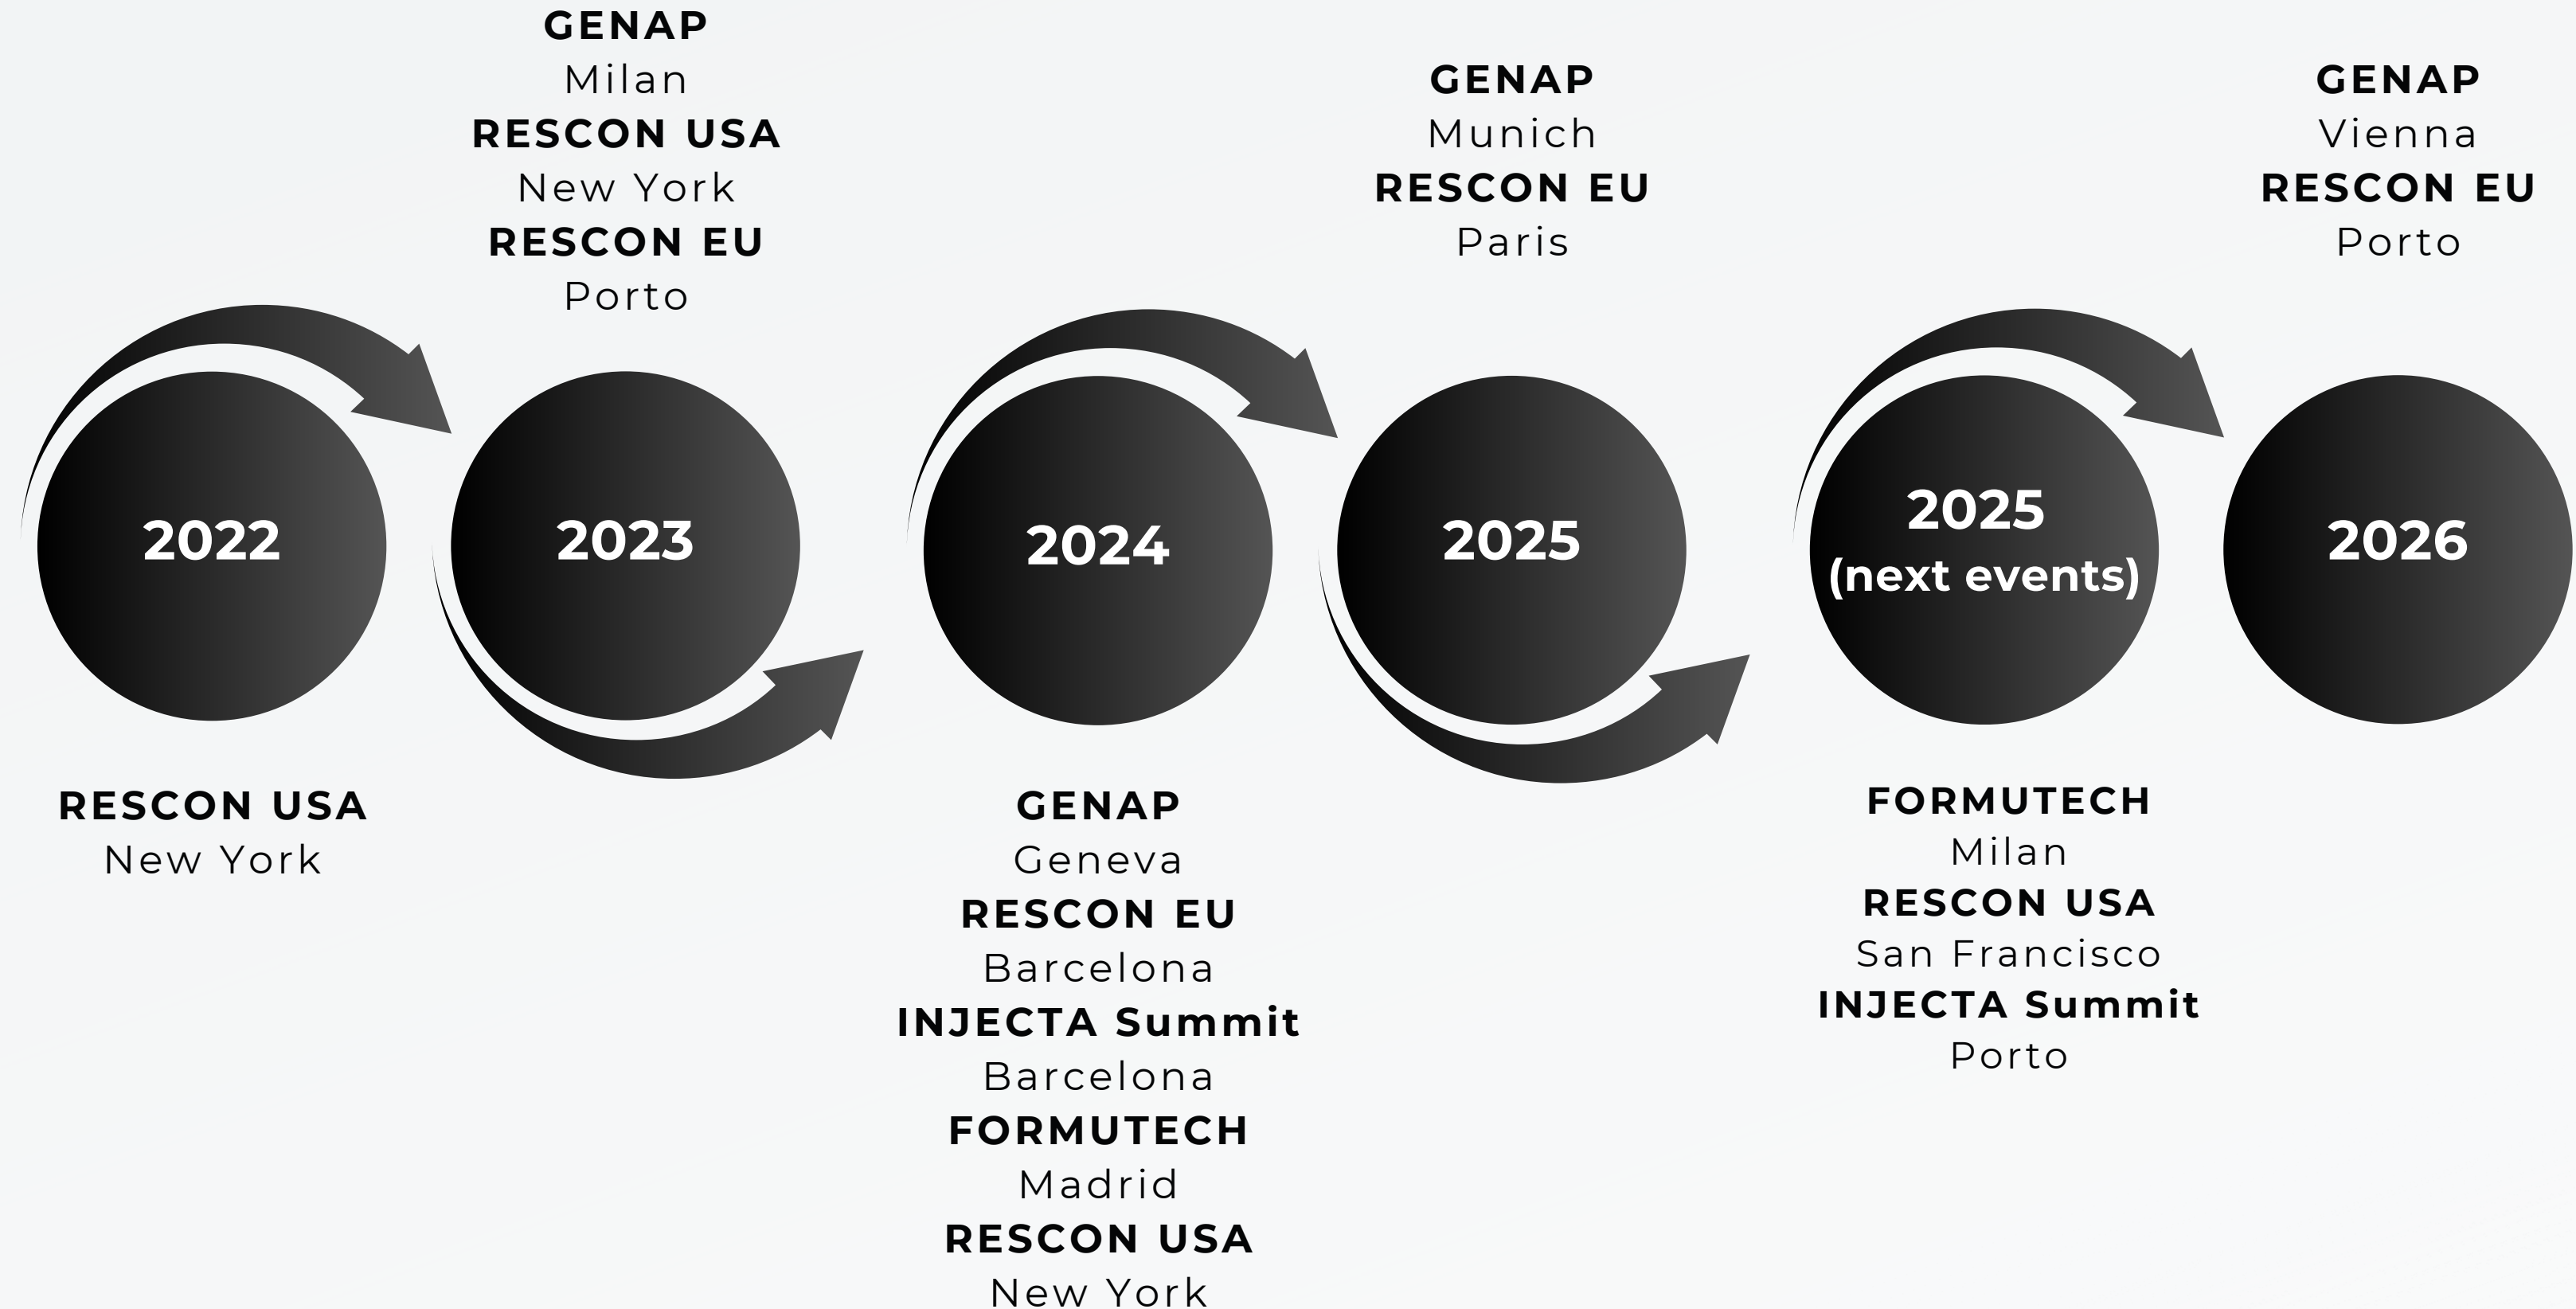

We create an environment where meaningful connections happen naturally, both during sessions and through dedicated networking breaks. Attendees have the opportunity to meet senior executives, innovators, and potential partners. These exchanges often lead to lasting collaborations beyond the summit.

The summit attracts a diverse international audience, ensuring a rich exchange of experiences and viewpoints. From regulatory updates to emerging technologies, the event provides a panoramic view of current challenges and opportunities worldwide. This global scope helps delegates position themselves at the forefront of industry transformation.

# OUR PROJECTS

# TESTIMONIALS

## Armando Botelho

Global Quality Assurance Senior Specialist | Moderna

A great thank you to you and your team for a wonderful event, finest accommodations, and your warm hospitality.

## Azra Jegado

Global Dupixent Patient Services & Data Lead | Sanofi

Well done for the Rescon congress, the speakers were really good and some of the topics were really interesting from Sanofi perspective.

## Søren Skov

Senior Human Factors Engineer | Roche

Thanks again for a great conference in beautiful Porto. It was a great opportunity to both learn and connect, just as hoped.

## Louisa Harvey

Founder and Principal | ClariMed

It was an absolutely brilliant conference – in fact my favourite I've ever been to!
